Welcome

Peter Hodkinson,
Managing Director

If you are reading this brochure you will be in the midst of making a very important choice about the care and support you or your loved one needs in later life. We acknowledge that this is a big and often emotional decision and thank you for considering Headingley Hall.

I can imagine that the key question you will be asking is why choose Headingley Hall? What makes our offer and care options stand out in the myriad of choices in Leeds?

Outstanding local reputation

We are one of Leeds' most respected health and social care providers with a proven track record in providing award-winning care and support to older people. Our network of care homes and retirement apartments is small enough to provide quality and individual care, but large enough to provide care services that are right for you, even if your circumstances change.

We passionately believe that happiness is just as important as health and that quality care should always go hand in hand with quality of life and do all we can to make you and your loved ones feel at ease from day one.

Quality, Respect, Integrity, Service

Ever since we were founded in 1992 we've taken great pride in our values – Quality, Respect, Integrity and Service. Today, we continue to reflect these values in the way we care, the way we act and the way we operate on a day-to-day basis.

Award-winning care

With the very highest standards of comfort, style and security as well as around the clock care and support, it's not hard to see why we've won so many awards. And while awards are great, that's not why we do it. We quite simply aim to exceed expectations and offer the very best to everyone at Westward Care.

Peter Hodkinson, Managing Director

Introduction

Sharon Earnshaw,
General Manager

We appreciate that making the decision to move in later life is seldom an easy one and never forget that our clients are individuals with unique needs, wishes and outlooks. As General Manager of Headingley Hall I care passionately about ensuring we guide you appropriately in choosing the level of care that suits your needs.

We always start the conversation about care and support from where you are now – understanding and listening to what your aspirations are for later life.

For some people the independence of owning their own apartment with the reassurance of care and support on-site is an option. For others our residential care suites offer a greater level of care and support on a day-to-day basis where needed.

This brochure gives you a little insight into Headingley Hall – our services and care options. But we believe it's the people at Headingley Hall that make all the difference – from our highly trained and qualified staff, as well as our residents.

So please come and visit, take some time to speak with our staff and residents and find out more about why Headingley Hall prides itself on being one of the best care providers in Leeds.

Louise F, daughter of resident

"For me, the most appealing features of a home which has so many commendable aspects were the warmth and proficiency of its staff. Their competence, abundant good nature and kindness, cheerful demeanour and ready smiles are assets beyond price."

George B, resident

"Headingley Hall was recommended to me by a neighbour as a place to go for convalescence following surgery. I was most impressed with the calm, relaxed and friendly environment."

Residential care suites

With our residential care services, you're in control

Our residential care suites give you both the space and independence to be yourself as well as all the care and support you need to maintain a full and rich life.

From accommodation and meals to personal care, our services include help with everyday tasks like getting up, going to bed, meal-times, washing, dressing, personal care, or taking medication.

The accommodation

In developing our care suites, we compared the 'average' care home room and added more space, comfort and luxury. We then incorporated the latest technology, design and materials to provide extra comfort, warmth and security. For added convenience, a number of our rooms include an en-suite shower room, a temperature-controlled pre-set shower and a kitchenette with an integrated fridge and tea-making facilities. Not to mention, under-floor heating and a 24/7 call system.

End of life care

For many people, a care home is often the place where they will spend the last years of their life. We believe that wherever possible we should make our residents feel at home and provide the highest possible standards of comfort and care. This includes supporting the wider family, working closely with a specialist palliative care team if, or when required and co-ordinating our services with experienced district nurses, to deliver an expert network of care.

Luxury retirement apartments with care and support

Imagine a luxury apartment to call your own, and the freedom to come and go as you please, plus the reassurance of extra support and services when you need them. With our independent living services supporting you in your home, you'll enjoy all the benefits of owning your own apartment, without any of the stresses and pressures of maintaining it.

After all, there are no bills to pay and just one reasonable weekly charge covers everything from gas, electric, heating and water rates, to Council Tax, housekeeping, maintenance and membership of our social club. We even provide a car-sharing scheme at no extra cost.

All the luxury of a 5-star hotel with the added comfort of your personal possessions and the freedom to do as you please.

The accommodation

These luxurious apartments at Headingley Hall provide: a quality custom kitchen; an en-suite shower room with a temperature controlled pre-set shower; gas-fired under-floor heating and carpets throughout (the en-suites are furnished with Altro non-slip flooring).

For flexibility, some are designed around a one-bed 'open plan' style living area. However, we also have a number of apartments with a separate bedroom and a limited number of larger apartments to suit couples.

Services that place you in control

At Headingley Hall you can choose your timetable, make your apartment your own and live life as you please.

Our extra dining options bring you all the benefits of a freshly prepared meal and the freedom to eat when and where you choose. So, you can join us for any dining options including breakfast, a three course luncheon and a light tea or supper with waitress service or make something in the comfort of your own apartment.

We also provide personal care services at an hourly rate, which can be tailored to your individual needs, plus, therapy treatments and Sky TV upgrades. As a team of care specialists, we also appreciate that should your needs change you may require extra help. So, we have made it simple to add services, as and when they are needed.

Respite care & holiday stays

Comfortable care suites with the reassurance of on-site care and support 24/7.

Short-term care, even for as little as one or two weeks can be used for carers to take a break, a holiday or if they're ill themselves.

Our respite care allows both parties to benefit from a change of scenery and gives carers the reassurance of knowing their loved ones are in safe hands. It gives carers the perfect opportunity to take some time for themselves and to regain some balance.

Respite care breaks can also be used for convalescence following hospital treatment to aid recovery or even as a little holiday break for you away from your usual surroundings.

Respite stays are available in all our locations subject to availability.

Shopping and eating out

With a Sainsbury's, Wilkinsons, Boots and a Post Office, the nearby Arndale Shopping Centre is an ideal place to start. You'll also find banks, newsagents, bakeries, pharmacies and an optician on the high street. Stop for fresh coffee at Costa Coffee or a quick bite to eat at Greggs, KFC or Bryan's Fish and Chip shop. Or, dine in style in one of the many restaurants.

Enjoy a fulfilling social life

As a resident, you can look forward to a great programme of social club activities including keep fit, singing, whist, handicrafts and discussion groups, plus visits to museums, art galleries and theatres. You can get involved in as much or as little as you like.

Our relaxed communal areas are just as well considered. Discover our hairdressing and beauty salon, fully-licensed bar, film room and tea bar. Then, meet your friends for afternoon tea in the main lounge and take in the landscaped grounds, or dine in comfort in the air-conditioned dining room.

Extraordinary everyday cuisine

At Headingley Hall we never overlook the value of freshly prepared ingredients or the difference a lovingly prepared meal can make.

We take time to make sure every meal, from breakfast to supper, is made to the same exacting standard by our dedicated chef. These include special dishes for individual dietary requirements and a variety of nutritionally-balanced meals, which are freshly prepared on the premises.

Every day, residents can look forward to a three-course luncheon with a choice of menu, served in our air-conditioned dining room. A buffet-style breakfast and a light tea/supper are also served during the day.

Are meals prepared on site? Does the chef use fresh or processed ingredients?
Can the facility cater for special diets?

9) The lifestyle

Is there a dedicated programme of events, entertainment, activities and outings?
How are personal religious beliefs supported and respected?
